FIGHT FOR BILLIARD TITLE AT PRESS CLUB TUESDAY

In the social hall of the Birmingham Newspaper club Tuesday evening, beginning at 8 o'clock, will take place a billiard exhibition between two men who claim to be the best players in Alabama, William Morgan and M. C. Tyler.

Morgan is the Alabama champion. Tyler has been always a strong competitor of the champion. Now Tyler believes that he is strong enough to wrest the honors which Morgan wears. He has challenged Morgan, and Morgan has accepted.

The two will play a tournament of 250 points, straight cushion billiards. There will be no charge of admission, and it is anticipated that all of the billiard players of the club will be present as spectators of this interesting match.

"We will not present a Hoppe-Sutton engagement," said Tyler last night, "but it will be interest sport to billiard fans. I believe that I have a good chance to win." Morgan was sanguine of his ability to make his title doubly sure.

The chief executive is determined that the charge shall be fully investigated, even if it requires a special legislative session. He is desirous that all persons who have made public statements concerning the alleged government deficiencies be summoned as witnesses before the grand jury.

ULSTER SITUATION PRECIPITATES CRISIS

A Dublin message to the London Press association says the officers who refused to obey orders will be arrested and that many of those who have undertaken to get rifles have done so on condition that they are not to carry arms against the unionists.

Throughout the two days' crisis Ireland has not witnessed a breach of the peace anywhere. If Sunday passes without rioting, officials will draw a sigh of relief. The nationalists, acting on John Redmond's advice, have abandoned their parade in Londonderry, which would have been almost certain to result in clashes with Orangemen.
